

Leachman Angus Ranch

Total Performance Bull Sale

90 Yearling Bulls

March 27, 2018

At the Ranch • Toston, MT

Leachman Performance Bulls

LEACHMAN

ANGUS RANCH

Dear Friends:

We would like to welcome you to our annual bull sale. It is always an exciting time of year as we look forward to seeing the new calves and watching the bulls develop and replacements heifers mature. This has been a very trying winter, however things look very encouraging across the state as it looks like we will have good moisture heading into spring and early summer. We always look forward to visiting with long time customers and meeting new friends and we welcome you to come visit any time. As always, we remain committed to trying new sires in our program to better our cowherd and yours. As you use these bulls in your program we continually need and appreciate your feedback to help us with our future breeding decisions.

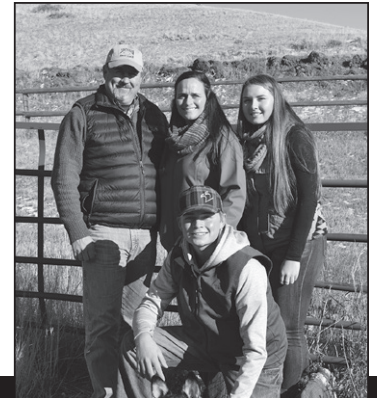

Now is the time to invest in your future by renewing your bull battery. With the price of feeder cattle on rebound from a year ago and the outlook for the future is very promising, now is the time to ensure that you are breeding a cowherd that will stand the test of time. We believe that fertility and longevity in your cowherd is what keeps you in business. Therefore, when you invest in a Leachman Bull you investing in a program that will build a cowherd that will stand the test of time. We feel very grateful to be a part of such an amazing industry and do what we love every day.

This group of bulls is the best that we have offered for sale with many herd bull prospects and calving ease bulls to choose from. We have been harder on this group of bulls at every selection time so as to remove any potential problems for you. They are a product of many generations of culling for performance, maternal, fertility, and structure traits that affect you the commercial cattleman every day. We are always trying to improve our cattle without sacrificing the important traits that affect us every day. Therefore, when you invest in a Leachman Bull you can rest assured that we stand behind them 100%.

The bulls will be available to be viewed on video at LeachmanAngus.com. We hope that you can join us March 27, 2018 to look at our offering and enjoy a CAB steak lunch

Sincerely

Eric, Marlo, Abby & Wade Leachman

202 Muddylane Rd • Toston, MT 59643

Welcome to the annual Leachman Angus Sale!!

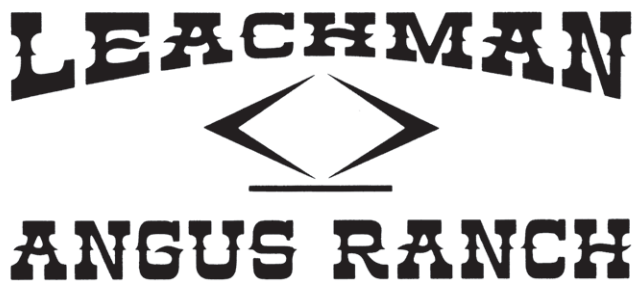

The Leachman name has been associated with high quality Angus seed stock for decades and generations. It's obvious that Eric and his family have also inherited the passion for Angus cattle and hold tight to the traditions, philosophies that were such a big part of the Leachman program. A strong AI program drives the genetic makeup of this offering. There is a maternal, mother cow look to the cowherd that stems from the years of making the Leachman females a priority.

The bulls in this offering, will be some of the biggest and stoutest bulls to sell this spring. They are bred for performance, structure and gain ability. This offering should fit the needs of the most discriminating cattleman. The Leachman name stood for quality and integrity all those years ago and it still does today.

Please join us on March 27th. If I can be of any help prior to or during the sale please let me know.

Ron Frye

Our objective is to produce as many of the right kind as possible whose sons and daughters may themselves make a substantial contribution to the advancement of the Angus breed and the success of other Angus breeders as well as the commercial industry.

*Thanks for attending our production sale.
Please have a safe trip home and we will see you down the road.*
